(Web- [www.aicpa.co.in](http://www.aicpa.co.in))

Dear group members,

The time has come to steer our movement for enhancement of pension under CMPS, 1998.

AICPA will start countrywide movement over the issue as soon corona virus crisis is over.

We are encouraged after our 9th December,19 dharna at Jantar-Mantar in New Delhi and its success.

We are proposing to hold relay dharna from Oct- Nov, 2020 till fulfillment of demand for linking coal pension under CMPS98 with DA at Jantar-Mantar, New Delhi and also at state head quarters, corporate Hqs of coal companies to attract the attention of decision makers towards the plight of coal pensioners

For this, we need at least 10 volunteers per week who will sit on dharna for continuously one week followed by another 10 volunteers for next week and so on. We need volunteers from every State where coal pensioners are residing.

The above programme is not easy to implement unless and until we have strong and dedicated cadre.

For enrolling committed members, we need to have our penetration to the lowest level of the society where retired and working executives, employees and workers are residing all across the country.

So, it is proposed to establish a link with all pensioners through coordinators at state level, district level and block level.

We invite committed and dedicated group members who have zeal to work for common cause of Coal pensioners.

You are invited to give your name, designation held, organization, present location and level at which wish to work like block level, district level or state level and mob/Whatsapp no so as to assign responsibility.

Your response should come as comment against this post.
